

## **Annual Road Tax Payment and New USFJ 15A Decal**

- For one week in April, Japanese Land Transportation Office (LTO) personnel will come to the Camp Zama Community Club for you to pay your annual road tax. You will also receive your new USFJ Form 15A decal at that time.
- Monday through Thursday vehicles are registered in blocks based on the first letter of your last name. All your registered vehicles can be registered at one time regardless of class.
- Mini cars are registered on Friday unless you have other vehicles.
- Watch local publicity for the times and location in April and what you will need to bring to register your vehicles.
