

## TRICARE DENTAL PROGRAM OVERSEAS

1. As an Active Duty Family Member, you have been recommended to seek dental care from a host nation dental provider due to our limited availability at our military treatment facility.
2. To ensure your family have active dental insurance you can call United Concordia (844-653-4060) or the active duty sponsor can check the MilConnect website or his/her Leave and Earnings Statement.
3. The following tool can be used to find the list of providers in your area. Not all areas are represented. Suggestions for adding a practice in your area to the list are encouraged. These providers offer “cashless claimless”, meaning they will charge you only any applicable cost share and file the claim: Find a Dentist-OCONUS-United Concordia TRICARE (uccitdp.com) <https://www.uccitdp.com/tp2opd/>

4. You do not need a referral. Just make an appointment directly with the practice. They know how to take it from there.
5. You are eligible to go to any licensed provider even if they are not on the list. Using that option, you would pay the bill and file the claim.
6. Forms (including the claim form) and fuller details are available on the United Concordia website. This includes the TDP Handbook which has lots of information such as information on orthodontics overseas. <https://www.uccitdp.com/dtwdws/member/landing.xhtml>

8. If you have further questions, want to report a positive or negative experience, or want to nominate a new provider for the “cashless-claimless list” AND you are in the PACIFIC region which includes all countries in Asia, Australia and New Zealand, please contact Area Office TRICARE Dental Director Commander Michael Flannery:
